TALENT HUNTERS

Talent Hunters is the star-studded ultimate search for the nation's next hit singer. Every week, 10 celebrities search for new talent and then perform a duet with the amateur or unknown professional singer. Each week the talent changes, so it's always a surprise to see who the celebrity found! The winner each week will move on to the semi-finals in Phase 2, while the remaining losing celebrities have to go out and find new singers to compete the next week. Eliminations begin in Phase 2, and each week one new singer and their celebrity mentor are eliminated. In the last round, the two remaining singers battle it out to win the grand prize, and prove they are the next big thing!
